4. Log in with your Wiley Online Library account information and tap “Confirm” to refresh the app with all available content.

Enter your Wiley Online Library account information here.  
\*note, this might not be the same as your society website login credentials.

The screenshot shows an iPad interface with a dark red header bar containing the text "iPad", signal strength, "9:57 AM", and "11%" battery. Below the header is a "Close" button. The main content area features a "Wiley Online Library" login form with the text "Log in with your Wiley Online Library account". It includes two input fields: "E-mail Address / Username:" and "Password:". A "Submit" button is located at the bottom right of the form, and a link "Forgot your password?" is at the bottom left. Overlaid on the bottom right is a confirmation dialog titled "Wiley Online Library" with the text "This application (Pediatric Blood & Cancer) is requesting access to your Wiley Online Library account." and two buttons: "Cancel" and "Confirm".

# Institutional subscriber access instructions for *Pediatric Blood & Cancer* for iPad® / iPhone® / iPod® app

We provide this FAQ information for members who may use their institution to access **Pediatric Blood & Cancer**:

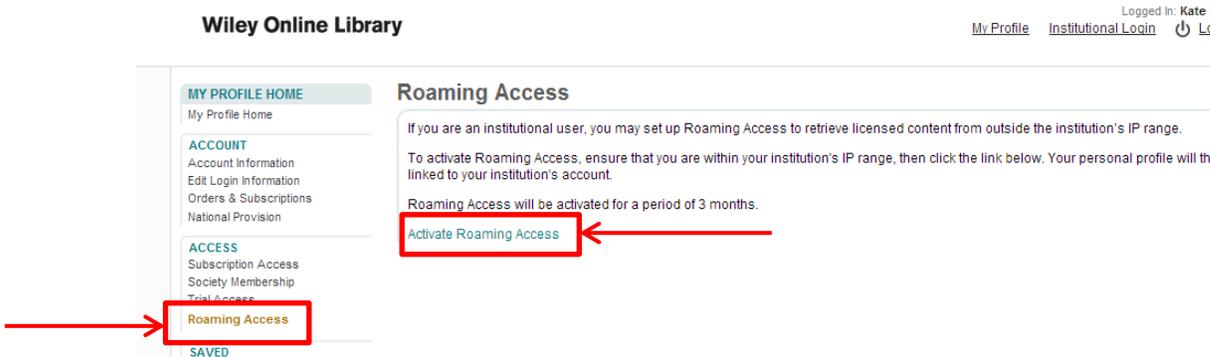

**Question 1:** How should I proceed if I normally access **Pediatric Blood & Cancer** through my institution?

**Answer 1:**

1. Register for a [Wiley Online Library](#) account, if you do not have one already. Or, if you already have one, [log in](#)

2. Access Wiley Online Library from your institution's network and log in. If you are offsite and need help getting access to licensed content, contact your librarian.
3. Visit the roaming access section of "My Profile" and click "Activate Roaming Access."

**Question 2:** How does the application recognize that a particular user currently has access to **Pediatric Blood & Cancer**? Is the registration on Wiley Online Library all it takes?

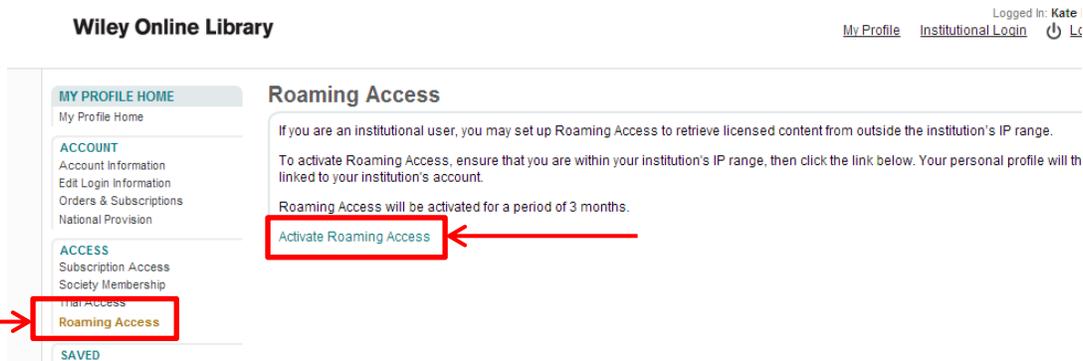

**Answer 2:** Roaming access is the key — Users can create their Wiley Online Library account anywhere, but MUST be inside their institutional network when they activate Roaming Access. That is the part that verifies a user's access rights.

**Question 3:** Do institutional customers have to physically be at their university, with iOS device in hand, to log in for the first time?

**Answer 3:** No, institutional customers do not have to be at their university when they log in to the app. Roaming Access takes care of that.

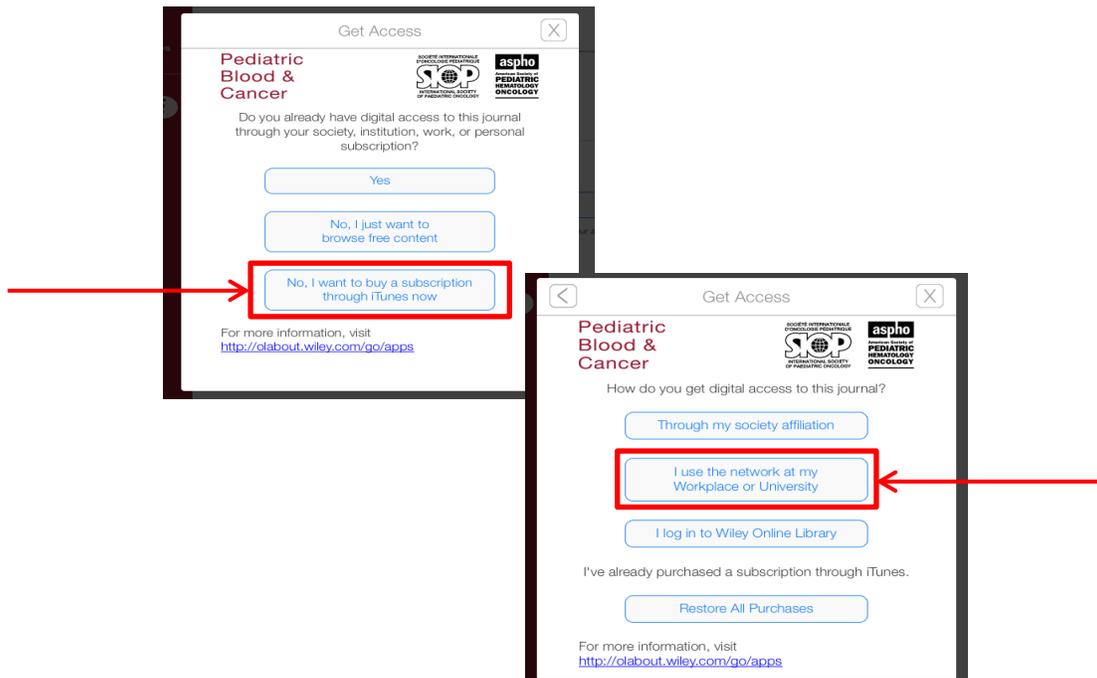

**Question 4:** How do I enable roaming access?

**Answer 4:** Visit the roaming access section of "My Profile" and click "Activate Roaming Access."

**Question 5:** How do institutional users log in to the App?

**Answer 5:** Upon first launch of the app, you'll see the following overlay: A) Under "Do you already have digital access...", tap "Yes" B) Under "How do you get digital access to this journal," tap "I use the network at my Workplace or University".

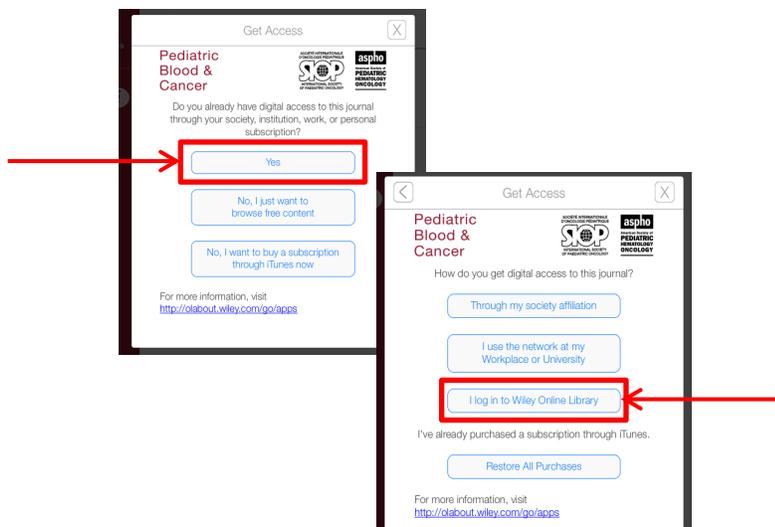

1. If you don't see the overlay, tap "Settings" (Gear Icon), then tap "Get Access."
2. Tap the "Log in" button.
3. Enter your Wiley Online Library account information and tap "Submit."
4. Tap "Confirm."

## Personal (non-member) subscriber access instructions for *Pediatric Blood & Cancer* for iPad® / iPhone® / iPod® app

---

If you normally have access via a Wiley Online Library username, simply use your Wiley Online Library account to "Log In" to the app. Upon first launch of the app, you'll see the following overlay: A) Under "Do you already have digital access...", tap "Yes" B) Under "How do you get digital access to this journal," tap "I log in to Wiley Online Library".

1. If you don't see the overlay, tap "Settings" (Gear Icon), then tap "Get Access."
2. Tap the "Log in" button.
3. Enter your Wiley Online Library account information and tap "Submit."
4. Tap "Confirm."
