

An aerial photograph of the Guangzhou skyline at dusk. The Pearl River Tower, a tall, cylindrical skyscraper, is the central focus, illuminated with warm lights. To its right, the Canton Tower, a tall, slender tower, is also visible. The city is densely packed with various high-rise buildings, some of which are lit up. The Pearl River flows through the city, and the sky is a mix of blue and orange from the setting sun.

DESTINATION
GUANGZHOU

Guangzhou's Bid for
SIOP Asia Congress in 2021
