## Special 2-year membership for Young Investigators

SIOP has come up with a special offer for 2 years membership instead of 1 year. The offer applies only for Young Investigators. Up to this date there has been 5 Young Investigators that has paid the fee and are active members for the upcoming two years, till the end of 2017.

## SIO members & membership benefits

The total number of **active SIO members for 2016 is 427 up till now.**  
The members find great value in the SIO membership benefits. Among the most important benefits are:

- **Free subscription** and online access to the **Pediatric Blood and Cancer** journal (12 issues per year plus SIO Congress supplement)
- Access to **SOSIDO Network** and receipt of weekly **email digest**

Most of the members make use of their online access to the journal and SOSIDO Network. That is based on the fact that we receive queries from members mostly regarding those benefits. In addition to that, very successful is considered to be the **reduced registration fee for the SIO Annual Congress.**
