Personal statement:

SIOP is a global organization which is working towards global mapping of oncology services available worldwide. We need to work on increasing the participation and membership of SIOP from this part of world, from where maximum number kids are diagnosed and are not able to get treatment due to multiple reasons. If given a chance I would like to work on increasing the participation/ SIOP membership of stakeholders from Asian regions and creating collaborative opportunities. I also have worked as treasurer for 4 years for our National body of Pediatric hemato-oncology. I have done following work during my tenure as treasurer:

1. Yearly filing of income tax returns – which required meticulous maintenance of expenditure/ income records
2. Preparation of records for audits
3. Renewal of Fixed deposits and keeping record of interest generated through membership fees and corpus money
4. Communication with the banking personnel for various activities and making sure that they give good services to the PHO account.
5. Keeping record of various payments for secretary , chapter activities for carrying out workshops / conferences
6. I also helped in handling the PHO Journal account
7. I also helped in handling the National level conference PHOCON mumbai account in year 2016

Positions and Employment:

2014- till date: Consultant Pediatric Hematologist and Oncologist, and Bone marrow transplant physician Department of Oncology, Sir HN Reliance Foundation Hospital and Research Centre, Mumbai. I established the chemotherapy unit, pediatric oncology facility and the bone marrow transplant unit at the hospital. Have done India's first advanced haploidentical transplant for high risk leukemia patient successfully, which was widely covered by print media all over the country.

2014-2017: Medical Advisor, Pediatric Bone Marrow transplant unit, LTMGH SION Hospital, Mumbai. I was involved in establishing and starting the bone marrow transplant unit at LTMGH. Did transplants for thalassemia major, aplastic anemia and immunodeficiency patients.

2013-2014: Honorary Consultant/ Assistant Professor, Pediatric Oncology, Department Of Pediatrics, KJ Somaiya Hospital, Maharashtra, Mumbai
