International Faculty Speaker

Dr Wirginia Maixner,

Paediatric Neurosurgeon
Former Director of Neurosurgery department at the
Royal Children's Hospital, Melbourne, Australia

Wirginia Maixner is a fulltime paediatric neurosurgeon at the Royal Children's Hospital, Melbourne, Australia. She completed neurosurgical training in 1996 and subsequently undertook fellowships in epilepsy surgery in London, Canada and paediatric neurosurgery in Hospital Necker Enfants Malades in Paris, France.

Wirginia returned to Australia in 1998 to work in the Department of Neurosurgery at the Royal Children's Hospital for which she was director from 2001 to 2020.

She has an active interest in neurosurgical education being co-founder of the Asian Australasian Advanced Course in Paediatric Neurosurgery in 2004 and is the current Chairman of the Education Committee of the Asian Australasian Society for Paediatric Neurosurgery since 2013.
