Curing paediatric cancer in **Africa**
through research

The Late Effects Working Group

60%

of children who
survive cancer
**suffer long-term
side effects**

Invites you to answer the question:
**Is there a need to manage late effects
on the African continent?**

Date: Wednesday 20 September 2023
Time: 18:00 East African time/ 17:00 Central African time/
16:00 West African Time/ 15:00 GMT
