APHON 2025

INTERNATIONAL SCHOLARSHIP PROGRAM

aphon
Association of Pediatric Hematology/Oncology Nurses

Applications are Now Open through 04-28-2025, for the APHON International Nurse Scholarship Program!

APHON is proud to support pediatric hematology/oncology nurses worldwide through the International Nurse Scholarship Program. This **12-month scholarship** provides nurses from countries outside the US and Canada with education, resources, and a connection to the APHON community-helping to advance care for children with cancer and blood disorders.

In 2025, two scholars will receive:

- Complimentary APHON Membership for one year
- Online learning opportunities through the ACE Center
- Access to professional resources, including the Journal of Pediatric Hematology Oncology Nursing and more
- Access to an APHON Global Ambassador Partner who will meet with you regularly, orient you to all the resources APHON has to offer, help answer questions, and collaborate.

Visit here for more details: **aphon.org/members/global-outreach/**

To date, APHON has enriched the professional lives of **39 nurses from 19 countries**, and now we need your help to identify our next deserving scholars. This program is supported by contributions to APHON's Global Outreach Fund.
