WHEN
Wednesday, October 19, 2016

During the Educational Day you have the possibility to discuss and network with experts in the field during a free lunch session.

You are offered the opportunity to share your lunch with an expert of your choice and to talk about topics in pediatric oncology in an informal setting.

The experts are:
 Rob Pieters (leukemia)
 Faith Gibson (nursing)
 Justin Baker (quality of life and palliative care)
 Daniel Mulrooney (late effects) and
 Bob Philips (supportive care).

Please note that the lunch is free of charge!

Please sign up in advance and fill out your top 3 selection of experts.

WHEN
Wednesday, October 19, 2016 from 12:30 PM to 1:45 PM

The SIOP Junior Investigators collaborative event sponsored by Texas Children's Cancer center represents a unique chance for junior investigators to meet and exchange with peers in an informal environment.

The evening program on 20th October will contain a free dinner at a local typical Irish venue and will deliver possibilities for networking and discussions during the evening program.

Register on time and come and meet us for this free of charge event in Dublin!
